conditions and has not yet taken transfer of those shares, the purchaser shall be required to obtain the prior written consent of the seller to the sale of those shares and the cession of his rights herein. The company, however, reserves to itself the right to change or vary the form of construction of the improvements or the unit on such rebuilding or repairing, but the member shall have the same accommodation as regards position and area of building enjoyed by him prior to destruction in such altered or varied construction.
- 12.2. In the event of any damage to the property, whether by fire, accident or otherwise (other than damage to any portion of the unit for which the member is liable) which renders valueless or substantially reduces the value of any right of occupation of the member, it shall be the duty of the company to make good such damage as soon as is reasonably possible. There shall, however, be no obligation on the company to compensate the member for any loss or damage he may have sustained as a result of any loss of occupation or use resulting from such damage to the property or the unit.
